

The second Newsletter of Pangea project

The second meeting of Pangea Project was held in Finland in Pori. The dates of meeting were from 27th of April to 30th of April 2015. Meeting place was in Service sector of WinNova in. In our meeting we had participants from coordinator country Hungary and from every partner countries; Poland, Spain, Turkey and United Kingdom. Two teachers and two students from every country was participating the meeting.

Students were living in host families, so they had very good opportunity to learn as much as possible about Finnish culture and normal way of life. Also families had good opportunity to learn about guests' culture. Families and students got new friends for the rest of their life.

Warming-up - eager discussion about important person, place and date

During the first day every partner gave Prezi presentation about own country, city and school. During the first day we had also guided tour in Pori, we had opportunity to learn main attractives of Pori.

After working hard in classroom we had culture programme. We visited old Rauma, which is on Unesco's world heritage list. The weather in Rauma was very windy and cold, but after that it was very nice to go to smoke sauna to Kullaa. The smoke sauna is near the lake Joutsijärvi. In sauna we had meetings in Finnish way. The water in the lake Joutsijärvi was quite cold, but after that the warm of sauna was the best.
